Finding Solutions Through A New Perspective

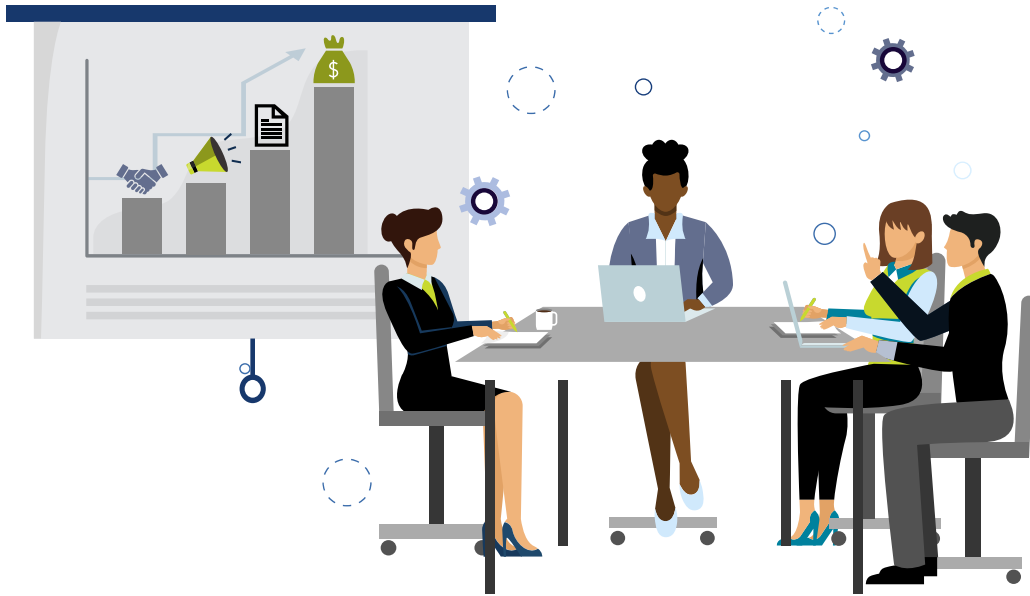

Randy Inklebarger

Chief Executive Officer/President

A Brief Update

AKA – How We Spent our Pandemic Lockdown

Complimentary Business Opportunities

Improve Competitiveness Together

- Business Relationships
- Market Growth
- Market Diversification
- Talent Acquisition

New Logo, New Look

Our Core Values

We are a complexity expert with decades of experience managing the most complicated, schedule-driven assignments that are successful through our core values.

Integrity

Strong Ethical Leadership
Commitment to Openness
Value Diversity

Commitment To Our:

Customers
Employees
Shareholders
Community

Our Mission & Vision

Mission

- Serve customers with expertise and efficiency
- Nurture employees w/safe & motivating work environment
- Protect our stockholders' best interests

Vision

- Provide superior engineering and scientific solutions
- Create a safer world and improve quality of life for our customers, our neighbors, and ourselves

How We Work

- Unselfish, customer-focused teamwork
- Manage complicated, schedule-driven assignments that succeed, receive awards, and earn customer's loyalty

Our Strengths

EXPERIENCE

Established in 1994;
28 years of experience
as engineering experts

CONNECTIONS

Well-known in the DOE
space through clients
and partnerships

CAPABILITIES

Both engineering and
manufacturing
capabilities

LEADERSHIP

Experienced/skilled
leaders and
management team

SYSTEMS

Mature Operating
Systems including
NQA-1 QA

FINANCIALS

Regularly audited,
spotless financials;
Zero debt, no liabilities

LOCATION

Highly desirable employer
strategically located in a
talent-rich region

SERVICES

Wide range of services
available to our
customers

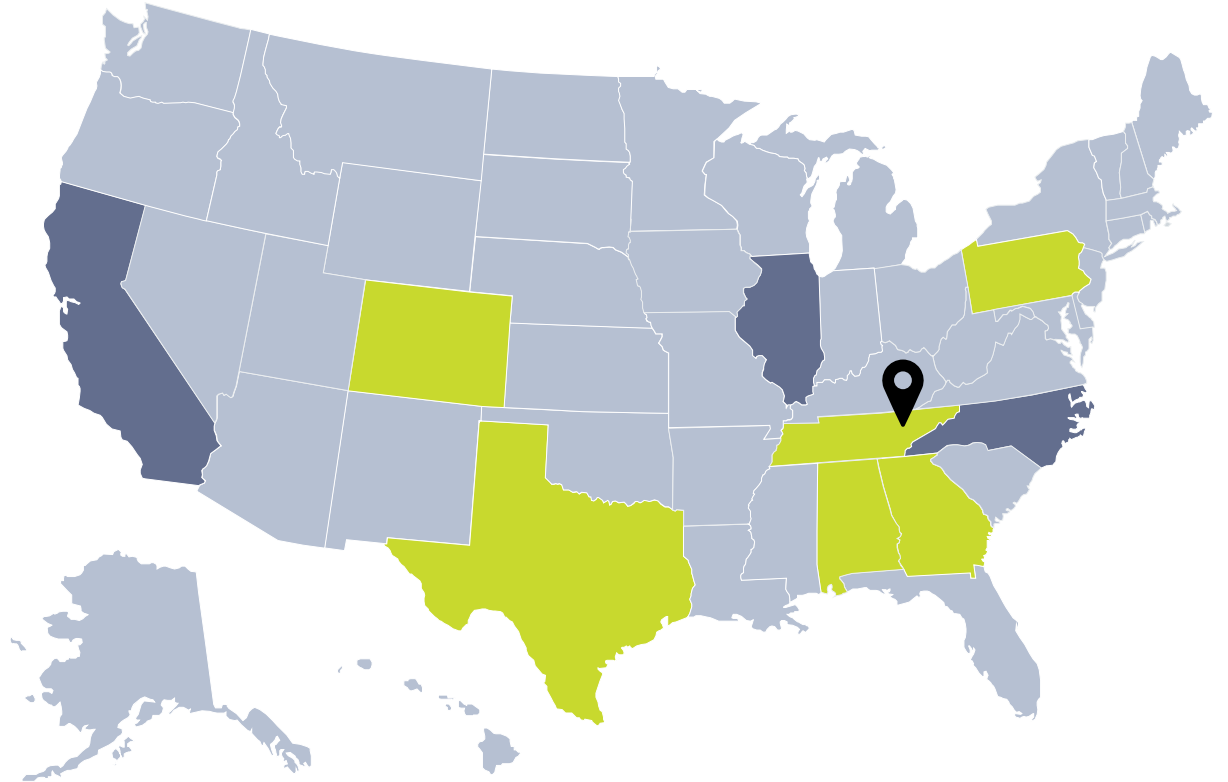

Our Location

Address:

137 Union Valley Road
Oak Ridge, TN 37931

Located next to Y12,
ORNL, and ETTP.

Our employees are
recruited from across
the country and work in
different locations
through-out the U.S.

B.S. Mechanical Engineering

Our Leaders

Multi-Discipline NQA-1 Architect & Engineering Services

- ✓ NNSA Systems Engineering and Project Planning
- ✓ Engineering Project Management
- ✓ Engineering Consulting and Design
- ✓ Structural, Mechanical, Fire Protection & EI&C
- ✓ Basic & Detailed Engineering Design
- ✓ Virtual Reality Training
- ✓ Commercial Grade Dedication
- ✓ Construction Support

Specialty Equipment & Manufacturing

Microwave Metal
Melting/ Casting -
Design/Fab/Operate

Nuclear Process - Cell
Heater Design and
Fabrication

Sulfite Analyzer
and Sample Sink –
Fab and Test

Technical Ceramic
Product Manufacturing -
Crucibles

UL 508A Panel
Design and
Fabrication

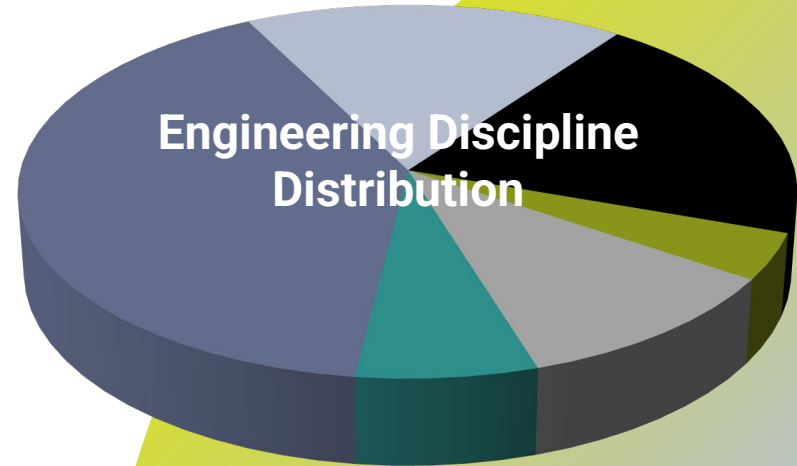

NQA-1 Design,
Procurement and
Fabrication

One-Stop Shop for Equipment Design to Delivery

Depth of Engineering Services

Rated **1** of **Top 5** in the Area
10 years running

- 55 Employees
- 20 Professionals with “Q” clearances
- 35 Degreed Engineers
- 25 Professional Engineers
- 6 Designers
- Engineers licensed in multiple states

- Mechanical/Fire Protection
- Electrical/I&C
- Process/Chemical
- Civil/Structural
- Nuclear
- Systems Engineering

Our Partners

Structured to solve our clients' most challenging problems from planning and concept through development, design, and deployment.

- ✓ **Heritage Systems Engineering**
Joint Venture Partner
Advanced Automation Corporation
- ✓ **Engineered Equipment**
Prime/Sub Partner
MillenniTEK
- ✓ **Project Controls**
Strategic Partner

A graphic for the Nuclear Opportunities Workshop 2022. It features a stylized atomic model with a central nucleus and three orbiting electrons on the left. The text on the right reads: "East Tennessee Economic Council's Nuclear Opportunities Workshop 2022" in blue, "August 1-2" in green, and "Oak Ridge, TN" in green. Below this, it says "Evening Reception, August 1" and "Workshop, August 2" in grey. At the bottom, it says "Visit www.eteconline.org/now-2022" in blue.
